“SEPAD.TWO TWO” Set for October 29-31

The organizer’s of last year’s inaugural SEPAD.TWO have announced that the next edition of SEPAD.TWO will be held October 29-31 at the Greater Philadelphia Expo Center, located in Oaks, Pa., just 18 miles northwest of Philadelphia.

“SEPAD” is a storied name in the Mid-Atlantic region. It is an acronym that was used by the Associated Stamp Clubs of “*South Eastern Pennsylvania And Delaware*” for the annual show that was held for many years in the Philadelphia area as well as in Atlantic City. Held annually in the Fall, it was the highlight of the year for collectors throughout the Mid-Atlantic states. “SEPAD” was later dropped in the late 1990s in favor of “Philadelphia National Stamp Exhibition,” but many collectors and dealers still favored “SEPAD”, which prompted the new show organizers to revive the concept as **SEPAD.TWO**.

Last year’s inaugural SEPAD.TWO had to overcome a number of obstacles, not the least of which was a late start and the only available date falling on the Yom Kippur Jewish holiday. Despite the handicaps, it was deemed to be a success by participating dealers and collectors—and served as the foundation for a show that will be even bigger and better than last year’s successful event.

Moving from its 2009 venue to the spacious Expo Center will not only add to participating dealer comfort, but it also will provide the extra space that will turn this from a dealer bourse into a stamp show with many collector attractions. As a result, the show organizers are inviting area organizations to participate in what promises to be the big event in Pennsylvania and the Mid-Atlantic states each Fall.

Area clubs who would like to promote their organizations at SEPAD.TWO are invited to phone Elaine Dunn at 800-635-3351 or email her at [<Shows@StampNewsNow.com>](mailto:Shows@StampNewsNow.com). Collectors seeking additional updates including email broadcasts can also use the same phone and email contact. Closer to the show date there also will be postings at [<www.metroexpos.com>](http://www.metroexpos.com).

Most of last year’s dealers and those who could not make it because of prior commitments have already expressed an interest in this year’s show, so only a few additional dealer booths will be available for the October 29-31 **SEPAD.TWO**.
